## ST. ANTHONY SCHOOL

Preschool • Kindergarten • Elementary • Junior High

### Mission Statement

*Inspired by the message and teaching of Jesus Christ, St. Anthony School is committed to supporting parents as the primary educators of children from preschool through grade eight. As faith-filled professionals, we strive to provide a nurturing and secure learning environment where each member of our diverse community can feel accepted. Students are encouraged to meet challenges and experience spiritual, academic and personal success.*

## A GOOD FOUNDATION

St. Anthony School is founded on the Catholic tradition and is welcoming to children and families of all faiths and beliefs.

Our goal is to provide a safe, happy and nurturing place for children. At St. Anthony, we believe children should learn and develop in stages, and as teachers we need to meet each child's needs through different learning styles.

Our Preschool program offers a High Scope curriculum where children explore open-ended activities through hands-on learning and teacher and child interaction. We believe that parents are an integral part of the child's learning experience.
