ST. ANTHONY SCHOOL

Mission Statement

Inspired by the message and teaching of Jesus Christ, St. Anthony School is committed to supporting parents as the primary educators of children from preschool through grade eight. As faith-filled professionals, we strive to provide a nurturing and secure learning environment where each member of our diverse community can feel accepted. Students are encouraged to meet challenges and experience spiritual, academic and personal success.

Why Sponsor a Student?

The "Sponsor-A-Student" program directly impacts families and students at St. Anthony who otherwise would find it difficult, if not impossible to afford a Catholic education. Your donation will also allow St. Anthony to provide a greater amount of financial support for all students at the school.

We endeavor to accept all students and families regardless of financial need. Your contribution will enable more families in the St. Anthony parish and local community to benefit from the high-quality, Christian-value education. Through your generosity you will be able to personally influence the education of a child at St. Anthony School.

How the Program Works

The student's family applies for assistance through the pastor or principal and is placed on a list according to need. Sponsors may give at any level. 100% of the gift will go toward the student's tuition at St. Anthony School. No funds will be used for administrative costs.

Your generous gift can help make the dream of a Catholic education a reality for children in need in our community. Whether it covers the cost of educating a student for a week, month or year, your gift is an investment in the future and is priceless to the child that receives it.

Employer Matching Funds

Many local businesses offer Matching Grants for employees who make donations to schools. Ask your employer if they will match your contribution to St. Anthony School.
